MINING CONGRESS JOURNAL

EDITORIALS

A bit of prophecy 77
A dangerous scheme 223
A double standard 111
A live one 255
A notable address 80
Aid to gold mining 264
Annual convention 327
Anti-trust laws revision 152
Asking for justice 42
Bolshevitis 228
British manufacturers 151
California chapter 44
California reorganized 256
Cause versus Effect 77
Chaotic Russia 4
Closed shop 255
"Close-Up" of Manning 293
Coal and the Sherman Law 460
Coal control 154
Coal Export Association 363
Coal leasing 256
Coal miners' demand 365
Coal situation 262
Coal strike 453
Comedy and tragedy 225
Coming down 46
Commercial helium 292
Committee on natural resources 188
Common sense and coal 74
Congressional humorist 185
Congressional investigation needed 224
Danger of increasing profits 290
Dangerous fallacy 149
Delay relief 258
Department of Education 186
Department of Mines 150
Department of Public Works 227
Deserved promotions 255
Development in California 261
Diplomatic service 156
Duty of labor 262
Efficiency and luxury 3
Enemies of our government 367
Equal rights for all 183
Essentially bureaucratic 41
Excess Profits Tax Law 456
Executive management 224
Foreign trade and labor 151
Future of American Mining Congress 366
Gold decrease serious 2
Gold excise and bonus 458
Gold situation 363
Gold tax exemption 78
Good business 259
Good faith and labor contracts 330
Good will and labor 457
Graphite situation 44
Growing danger 185
Heart and soul of democracy 359
Incidental expenses 187
Increased production great necessity 328
Industrial independence 153
Industrial efficiency and Sherman Law 362
Improving labor conditions 328
Is wage system a failure? 360
Justice, freedom and democracy 455
Keeping agreements 259
Labor and public confidence 288
Labor federation 43
Labor, invention and capital 7
Leagues by hemispheres 81
Learn by experience 76
Lessons of Germany's downfall 454
Low comedy 288
Menace of bolshevism 184
Mineral Land Leasing Law 361
Minerals Separation case 453
Miscalculation 112
Mr. Gompers threatens nation's industries 364
National division being organized 9
Nation's unrest 329
Next oil strike 188
Object to federalism 259
"Orders from Paris" 185
Our many sided government 461
Over the table 186
Pleasant comment 258
Plumb Plan 290
Potash men join war minerals 45

Preparedness campaign 1
President's Industrial Conference 327
President's message 458
Protection—not tariff 460
Protests license issuance 41
Public construction director 226
"Quiet revolution" 264
Radical conservatism 287
Railroad coal prices 105
Railroad control, its future 6
Readjustment 106
Readjustment question 2
Redfield plan 107
Removal of offices 327
Removal of war restrictions 4
Road to industrial slavery 330
Road to bankruptcy 256
Rocking the boat 367
Rooseveltian arithmetic 46
Rule or ruin 291
Secretary of Labor Wilson 364
Self-reform of organization 80
Silver shortage in France 364
Slightly erroneous 43
Sorrow of an anarchist 187
Startling comparisons 158
Steel strike 331
Tariff measures 186
Tariff on war minerals 289
Tariff policy 287
The American spirit 75,108
The monkey wrench 109
Too scientific 109
Treasury and gold situation 73
Treasury decision 113
Treaty-making 155
Tungsten tariff 263
Tungsten wins 294
Unemployment problem 153
Unfortunate illustration 332
Union vs. Our Union, The 365
Value of cooperation 78
War minerals 257
War minerals division asks relief 8
War minerals relief 776
We wonder 287

METALS, ETC

A

Abrasives 397, 415
Acids 413
Alaska-Juneau 266
Alaska metal output 39
Alaskan assessment work 91
Alloy questionnaire 191
Alsatian potash 63, 302
Anaconda claim 334
Arizona's metal output 15
Arkansas manganese 136
Arsenic exports 26
Asbestos imports 14
Assessment bill 403
Assessment work 103, 265
Australian iron imports 308

B

Bailey, Geo. H., on tungsten 232
Black sands, reports on 70

C

California manganese 147
California metal output 22
California minerals 242
California's production 303
California quicksilver 125
California talc 405
Car Supply 408
Caustic soda stocks 172
China's iron output 308
Chrome 83
Chrome mines closed 280
Chrome production 27
Chrome restrictions 53
Chromite 393
Chromium 137
Cobalt 504
Colorado's metal output 15
Copper 403, 428, 482
Copper costs 270
Copper imports 31
Copper ore imports 57
Copper prices 114
Copper properties close 177
Copper production 21
Copper purchases 171
Copper sales 113, 126
Copper situation uncertain 498
Copper stocks 121, 202
Copper surplus 180
Crucibles 48
Cupro-nickel stocks 228

D

Diamond control 18
Dyestuffs bill 350

E

Explosives precautions 181
Exports 147

F

Fertilizer materials 350, 415
France's Copper 325
French furnaces 415
French Iron 326
French iron districts 167
French iron situation 333
French need iron 58
Ferromanganese 71

G

Gellert on potash 92
Germany hunts iron 461
Gold, 87, 369, 378, 379, 382, 395, 470- 472
Gold and silver figures 348
Gold production decreases 14
Gold production table 53
Gold report 25, 73, 88
Gold tax exemption 78
Granby Mine 322

Graphite..... 244
Graphite importations..... 48
Graphite prospects..... 265
Graphite situation..... 271
Graphite studies..... 165

H

Harassed by labor..... 280
Henderson on potash..... 93
Hess, F. L., on tungsten..... 231
High speed steel..... 254
Holmes, J. H., on tungsten..... 232

I

Idaho's metal output..... 38
Iron and steel trade..... 212
Iron for France..... 58
Iron-making Bacteria..... 356
Iron ore..... 53
Iron ore production..... 116
Iron ore rates..... 222
Iron works in orient..... 326

J

Japanese steel..... 160
Japanese steel plans..... 196
Joplin district..... 503

L

Labor in copper mines..... 94
Lead.....146, 148
Lead market..... 159
Lead prices (chart)..... 237
Lead production..... 20
Lead situation..... 280
Lead smelter..... 222
Lead stocks.....172, 234
Leasing bill..... 400

M

Magnesite.....130, 245, 402
Magnesite, Austrian.....355, 358
Magnesite bill passes..... 337
Magnesite construction important... 489
Magnesite duty..... 308
Magnesite investment..... 274
Magnesite mines in Austria..... 337
Magnesite reserves..... 273
Magnesite situation..... 243
Magnesite's tariff needs..... 313
Magnesite, uses of..... 487
Manganese,
83, 172, 192, 245, 276, 369, 415, 424
Manganese imports..... 69
Mesothorium..... 14
Metal stocks..... 102
Mica in Alabama..... 266
Minerals abroad..... 115
Minerals at peace conference..... 115
Mineral bulletin..... 310
Mineral industries..... 201
Mineral interdependence..... 369
Mineral leasing..... 86
Mineral leasing bill..... 400
Mineral market..... 126
Mineral resources..... 48
Mineral resources report..... 198
Mineral separation.....131, 275, 482
Minerals separation decision..... 235
Mining claims..... 252
Monazite imports.....69
Montana's metal output..... 36

N

Navy's spelter..... 127
Nevada's metal production..... 26
New Mexico's metal output..... 23
Nitrate disposal.....90
Nitrate plant operation urged..... 502
Nitrate restrictions..... 271
Nitrate stocks..... 138
Nitrogen administration..... 118
Nitrogen commission..... 349
Non ferrous sales..... 308

O

Oregon's metal output..... 30

P

Phosphate price..... 369
Pig iron..... 407
Platinum..... 273
Platinum, occurrence of..... 495
Platinum, physical properties of..... 502
Potash..... 32
Potash bill.....92, 221, 244, 350
Potash hearing..... 230
Potash production analyzed..... 355
Pyrites.....83, 118, 125, 245
Pyrites importation..... 66
Pyrites situation..... 253

Q

Quicksilver.....125, 244, 266
Quicksilver supremacy..... 209

R

Restrictions removed..... 241

S

Saline takes..... 350
Sharp on potash..... 93
Silver..... 431
Silver exports..... 196
Silver for India..... 194
Silver its future..... 197
Silver mines open..... 266
South Dakota's gold yield..... 28
Spelter.....127, 254
Spelter economies..... 171
Spelter stocks..... 171
Steel.....408, 415
Steel exports..... 306
Steel prices..... 115
Steel practice..... 308
Steel production in Germany..... 204
Sulphur..... 202
Sulphur monopoly lost..... 179
Sulphuric acid.....34, 125, 163, 202
Sulphuric acid production..... 222
Swedish iron exports..... 507

T

Talc production..... 350
Texas metal output..... 18
Tin, exports of..... 10
Tin imports..... 273
Tin orders..... 265
Tin ore restrictions..... 280
Tin restrictions.....164, 241
Tin situation..... 117
Tin stagnate..... 195
Treasury gold report.....73, 88
Tungsten.....83, 139, 270
Tungsten hearing..... 231
Tungsten tariff..... 265

U

Utah's metal output..... 37

W

Wages..... 80
War department surplus..... 228
War minerals 480, 483
War minerals claims.....188, 239
War minerals findings..... 234
War minerals relief.....19, 76, 126
War minerals resolutions..... 19
World's gold production..... 53
World's minerals 103

Y

Year's mineral output..... 34

Z

Zinc.....148, 245
Zinc bill passes..... 307
Zinc chapter..... 98
Zurich exchange..... 326
Zinc production.....20, 338
Zinc reduction capacity..... 140

COAL

A

Anthracite production..... 25,63

B

Bituminous production..... 63,69
British fuel problems..... 67
By-product coke..... 63

C

Canadian coal..... 33
Carnegie Institute..... 270
Central Committee..... 496
Coal car shortage..... 317
Coal contracts..... 160
Coal department opened..... 196
Coal diversion..... 412
Coal export situation..... 211
Coal exportation..... 402
Coal in France..... 20
Coal investigation..... 277
Coal legislation urged..... 213
Coal loadings..... 133
Coal miners' demands..... 351
Coal mining education..... 270
Coal output..... 24
Coal prices..... 147
Coal production..... 415
Cost reports..... 98
Coal shipments..... 228
Coal Tar Bill passed..... 350
Coal tariff..... 273
Coal's immediate need..... 95
Coal's potentialities..... 49
Coke..... 179
Coke production..... 68
Consolidation Coal Co..... 137
Cooperation urged..... 138
Clay products savings..... 64
Committee statement..... 491
Cushing, G. H. (article)..... 161

D

Daylight saving..... 135
Demand light..... 132
District representatives..... 53

E

Europe needs U. S. coal..... 336
European coal situation..... 267
European tariff..... 234
Exports analysed..... 65
Export coal.....39,189
Exports for Switzerland..... 236
Export restrictions..... 72
Export tariff..... 234
Exports to Denmark..... 394

F

First aid contest..... 238
French mines destruction..... 66
Fuel Administration..... 24
Fuel priority..... 417

G

Glass' statement..... 492
Griffith on anthracite..... 28

H

Hines fuel policy..... 47
Hines on car shortage..... 317
Hines on coal contracts..... 160
Hines' statement..... 492

I

Indian Reservations..... 250
Industrial stocks..... 178
Investigation of coal..... 304
Iron and steel stocks..... 179
Italy's coal shortage..... 57

L

Labor—Taylor's views..... 304
Lehigh coal case..... 179
Leno mines..... 17
Lignite bill..... 30
Loadings..... 52,65,94,415

M

Mines and carriers..... 201
Morrow's letter..... 493

N

National Coal Ass'n..... 193

O

Operators' statement..... 490

P

Pennsylvania costs..... 352
Pittsburgh meet..... 238
Prices..... 134
Prices and zones end..... 69
Production..... 130
Production at high mark..... 337
Profits..... 95
Public utilities stocks..... 178

R

Railroads and mines..... 201
Railroad fuel..... 47
Railroad policy..... 102
Record custodian..... 72
Regulation ends..... 85
Reply to McAdoo..... 494
Requisitions cancelled..... 31,72
Restrictions amended..... 72
Retail stocks..... 179
Rice on European mining..... 343

S

Senate coal probe..... 304
Shipping board plan..... 189
Shortage predicted..... 77
Smokeless for lakes..... 57
Stabilization of industry..... 74
Statistics needed..... 350
Stocks..... 178
Strike..... 490

T

Taylor, H. N., testifies..... 304
Tendencies in coal..... 161
Tidewater shipments..... 89

V

Vermont talc..... 392,419

W

War lessons..... 76
War mineral claims..... 401
War mineral tariffs..... 390
Watson, Col. C. W..... 137
Weekly reports..... 68

Y

Year's production..... 56

Z

Zones..... 416

GENERAL

A

Accident figures..... 242
Advisory Tax Board..... 306
Alaska chapter..... 33,139
Alaskan railroads..... 472
Alien property report..... 131,136
American Institute meeting..... 310
Anti-trust laws..... 250
Arizona chapter..... 36,397
Arizona conditions..... 355
